

**ADVERTISEMENT FOR OPEN POSITION IN THE DEPARTMENT OF
DENTAL ANESTHESIOLOGY, UNIVERSITY OF PITTSBURGH SCHOOL OF
DENTAL MEDICINE**

The University of Pittsburgh School of Dental Medicine is seeking applications for a full-time faculty position in the Department of Dental Anesthesiology at the Assistant Professor level, outside of the tenure stream. Responsibilities will include: clinical and didactic instruction of first professional dental students in techniques of anesthesiology and sedation; clinical and didactic instruction for dental anesthesiology residents and student nurse anesthetists; clinical research capabilities; anesthetic management of pediatric patients and patients with special needs.

Qualifications for this position are: (1) DMD/DDS degree; (2) certificate of advanced training in an Advanced General Dentistry Education Program in Dental Anesthesiology; (3) Board eligibility or Board Certification from the American Dental Board of Anesthesiology and/or the National Dental Board of Anesthesiology; (4) eligibility to practice dentistry in the Commonwealth of Pennsylvania; (5) experience in the anesthetic management of pediatric patients and patients with special health care needs.

Salary and academic rank are commensurate with experience and qualifications. Position will become available July 1, 2017. Please send curriculum vitae and the names and addresses of three references to:
