

Anesthesiologist-Faculty Open Rank (Non-Tenure)
Department of Oral and Maxillofacial Surgery
College of Dentistry
University of Illinois at Chicago

The Department of Oral and Maxillofacial Surgery at University of Illinois at Chicago in the College of Dentistry is seeking a qualified candidate for a full-time faculty at the rank of Clinical Assistant Professor or higher on the non-tenure track with a specialty in Anesthesiology. The Department is responsible for the didactic and clinical instruction in Oral and Maxillofacial Surgery and Local Anesthesia and Pain Control for the undergraduate dental students, and has a full- and expanded-scope postgraduate residency training program in Oral and Maxillofacial Surgery. The Department is fully committed to patient care, student and resident education, service to the University, the community, and the profession, continuing dental and medical education, and scientific research and publication.

The successful candidate will join our team committed to excellence in teaching, research, and service. The department seeks individuals with a strong commitment to interdisciplinary care and willingness to engage other academic departments such as Pediatric Dentistry, Periodontics, Endodontics, etc.

Responsibilities include participation in didactic and clinical instruction of anesthesiology and pharmacology to pre-doctoral and post-graduate students, and provide clinical anesthesia services and support to various Departments in the College of Dentistry.

Qualifications include a DDS/DMD/MD/DO degree or its foreign equivalent, a current license and be eligible for full licensure in the State of Illinois required. Completion of postgraduate residency training in a US-accredited program (CODA-accredited Dental Anesthesiology program or ACGME-accredited Anesthesiology program) is required. Diplomate status by the American Board of Dental Anesthesiology or the American Board of Anesthesiology is also required, and advanced qualifications (fellowship, MS or PhD) in an area related to anesthesiology are preferred. Experience in providing sedation and general anesthesia for a variety of full-scope dental and oral surgical and head and neck procedures for pediatric, adult, and geriatric patients, including ambulatory, non-hospital based orthognathic surgery and reconstruction, and aesthetic facial surgery required.

Must be eligible for the rank of Clinical Assistant Professor level (minimum) in the non-tenure track rank commensurate with norms and criteria for faculty.

Academic rank and salary will be commensurate with qualifications and experience.

The position is available immediately. For fullest consideration, applicants should submit a letter of intent, current curriculum vitae, a copy of professional license, and the names of three professional references to <https://jobs.uic.edu/job-board/job-details?jobID=126135> by February 3, 2020. Applications will continue to be accepted after the for fullest consideration date until the position is filled.

The University of Illinois at Chicago is an Equal Opportunity, Affirmative Action employer. Minorities, women, veterans and individuals with disabilities are encouraged to apply.

The University of Illinois may conduct background checks on all job candidates upon acceptance of a contingent offer. Background checks will be performed in compliance with the Fair Credit Reporting Act
