

We are looking for a board eligible/certified dentist anesthesiologist to join our experienced dental anesthesia group in the great state of Colorado. Enjoy the benefits of working within a group setting for one of the largest dental anesthesia groups in the country. We have a full staff to take care of all the administrative work so you can focus on delivering high quality patient focused anesthesia care. Working and playing in Colorado cannot be beat. Experienced practitioners are welcome as well as recent grads looking for a great opportunity to grow into an established practice. Very competitive compensation and flexible work schedule to meet a nice work life balance.

Interested candidates please send CV to [info@carepointanesthesia.com](mailto:info@carepointanesthesia.com) or contact Cori director of provider relations at 720-606-4220. Check us out at [carepointanesthesia.com](http://carepointanesthesia.com)
