

Anesthesia Provider Needed

We are looking for one anesthesia provider 3-4 days a week. This is an exciting and rewarding opportunity to provide anesthesia in an ambulatory surgery center, while serving the needs of the pediatric population. We exclusively treat patients between 2 and 8 years of age. A minimum of two years clinical experience is preferred. A positive attitude, in combination with a strong work ethic, is a must for our team oriented facility. We strive to create a friendly and happy work environment; and we are willing to train the right practitioner. The position is located in the central valley of California.

Compensation is competitive. Minimum daily guarantee.
