

Midwest Dental Anesthesia Services provides fee for service, mobile anesthesia services to the Twin Cities and surrounding areas of Minnesota, as well as Western Wisconsin.

We are currently looking to transition in a dentist anesthesiologist starting in January of 2020. This position will include traveling and serving local private practice dentist and dentist specialists (adults and pediatrics) in the Twin Cities. We work closely with all specialists offering a wide range of procedures. There is great opportunity for growth, the ability to set your own schedule, and competitive wages.

Minnesota dental license and general anesthesia permits and will be required. Qualified applicants will be Board Certified or Board Eligible.

To apply and/or receive more information regarding this opportunity, please email CV to dr.heather@mwdentalanesthesia.com
