

## **Associate/Partnership Opportunities for Anesthesiologist or Dentist Anesthesiologist**

The Sleepy Tooth Group of practices are actively seeking an Anesthesiologist or Dentist Anesthesiologist to join our group of committed professionals on either a full-time or part-time basis. We are dentist-owned and have fee-for-service offices located in all three counties of Delaware. Our offices include the only general dentistry practices in Delaware that perform all levels of sedation, including general anesthesia, in a comfortable office setting. Our unique facilities allow you to see your patients without the need for stressful and expensive hospital or surgi-center treatment. The primary function of this position is to run anesthesia cases with the option to practice dentistry. All of our offices are supported by excellent management teams so that dentists can focus on their practice of dentistry, and not managing the logistics of the dental office. Opportunity awaits you as part of our established and successful group. Learn more about our group by calling us at (302) 392-2449, emailing us at [sleepytoothcareers@gmail.com](mailto:sleepytoothcareers@gmail.com), or by visiting our website at [SleepyToothCareers.com](http://SleepyToothCareers.com).
