

## Dental Anesthesiologist Needed

We are looking for one-two Dental Anesthesiologists 3-4 days per week. This is an exciting opportunity to provide anesthesia in an ambulatory surgery center, while serving the pediatric population. We exclusively treat children between 2 – 10 years of age. Two years of clinical experience is preferred however we are willing to train the right practitioner. We need a provider with a positive attitude and strong work ethic, we are a team-oriented facility and we strive to create a friendly, happy and safe environment. We are located in sunny Southern California. The compensation is competitive with a minimum daily guarantee. Please send CV/resume to [d.jesson@indiosurgerycenter.com](mailto:d.jesson@indiosurgerycenter.com).
