

Position open for a dentist who has graduated from a CODA accredited dental anesthesia program who wants to practice both dentistry and anesthesia. We treat predominately adults and special needs patients. Our practice is dentist owned and well established.

Our office is located adjacent to beautiful Waterfront Park on the Ohio River in Louisville, KY. Downtown Louisville is experiencing an exciting urban renaissance.

Associate or Partnership opportunities are available. Must meet qualifications to administer moderate to deep sedation in the state of Kentucky.

Please call Dr. Mark Hammond 502.235.8406
