

We are looking for a well-qualified dentist-anesthesiologist to join our Portland Oregon Practice. Enjoy the benefits of group practice with the opportunity for mentorship and collegial interaction.

Portland Dental Anesthesia practices outpatient office based dental anesthesia. We see a mix of pediatric and adult populations. We are looking for a great fit for our team to provide excellent clinical anesthesia with compassionate bedside manner. We offer a lot of flexibility in how, when and where you work.

Portland is a wonderful place to live in a very easy going and vibrant culture.
