

Come be a part of an exciting, team-based, care team model company with a mission to increase access to care. Our company allows you to focus on treating patients and influence care while we handle the rest. No call and friendly environment.

We are looking for an Anesthesiologist that is available for opportunities in Ohio and Kentucky. We pay very competitively. Full-time, Part-time, and PRN opportunities are available. Need to be comfortable treating pediatric patients 3yrs+. We do have adult opportunities as well.

Surgery days fall on a weekday 8a-5p schedule. You have the lifestyle and flexibility to create your own schedule that fits your availability. No calls. Our service is to provide GA/IV in a friendly outpatient, office-based environment. You will have all the necessary equipment, meds, and staffing (RNs, assistants) that you will need to feel as if you are in a hospital or ASC.

Description:

We are a dental/medical sedation company founded by 3 board-certified anesthesiologist founded in central Ohio. We provide anesthesia specialist to dental and medical offices across Ohio and into Kentucky. We are looking for an Anesthesiologist that is available for opportunities in Ohio or Kentucky.

We cover malpractice, logistics, meds/equipment, billing, pre/post op, etc. Our team helps everything run smoothly so that you can focus on your craft and not all the overhead!
