

Looking for a well qualified Board Certified/Eligible Dental Anesthesiologist to join our growing team in the Salt Lake City, Utah area.

Summit Anesthesia provides a combination of mobile in office anesthesia as well as anesthesia in multiple surgical centers. We work closely with many specialists offering a wide range of cases. When you are not enjoying all the outdoor recreation in Utah, you'll be part of a growing anesthesia team in a beautiful area. There is opportunity for growth and the ability to decide which setting you prefer working in.

- Flexible schedule

- Competitive compensation

- Health Insurance benefits

- Easy going, accredited surgical center with friendly staff

- Diversity in traveling to multiple offices, working with dentist that really appreciate the service we provide

- Limited travel time
